## MarKee STANDARDS IN ACTION

**Quality:** We are passionate about creating sauces and foods in house that are better for you and better tasting and we are excited to share it with you! Our house-made, all-natural beverages include fresh squeezed orange juice mimosa, dark chocolate sauce hot chocolate, mayan mocha and mocha, caramel and salted caramel latte, masala chai, ginger & turmeric chai, lavender white chocolate mocha and crème brulee latte – ALL are free of artificial preservatives, colors, flavors, sweeteners and hydrogenated fats.

**Community:** We are not a large corporation – we are two local mothers, & owner-operators, who are dedicated to meeting the needs of the local community by supporting the causes that are important to us & our customers & neighbors. The MarKee One Bean Program gives \$3 for each whole bean coffee sale to a local non-profit – we are giving the community the power to turn an ordinary daily ritual into an extraordinary giving opportunity.

**Interested in raising money for an event, school or sports team** – have us host a trivia night that benefits your cause! It's fun, less time consuming than other programs, and the \$ spent stays in our community! Contact us to learn more and book a date – [hello@drinkmarkee.com](mailto:hello@drinkmarkee.com)
